PIERCE COUNTY WORKFORCE DATA

Pierce County Month-Over Job Gains and Losses

November 2016–December 2016

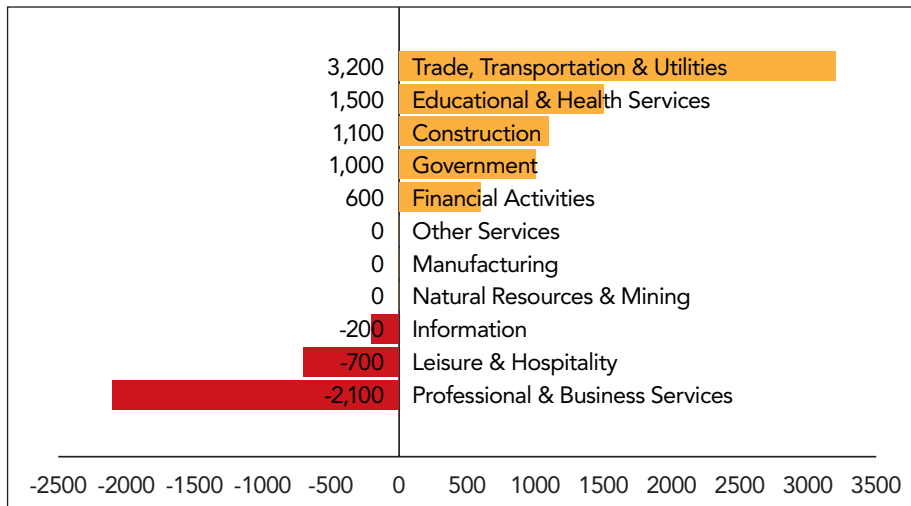

Educational & Health Services and Leisure & Hospitality were the only two industries to show month-over employment gains, each adding 100 jobs. Five industries (Financial Activities, Natural Resources & Mining, Information, Other Services and Manufacturing)¹ experienced no change, while four industries experienced month-over job losses. Construction recorded the largest loss of 1,000 jobs.

From December 2015 to December 2016, five industries experienced job growth. Trade, Transportation & Utilities had the greatest year-over gain, adding 3,200 jobs to the region. Education & Health Services added 1,500 jobs, Construction contributed 1,100 jobs, Government added 1,000 jobs and Financial Activities added 600 jobs to the region.

Pierce County Year-Over Job Gains and Losses

December 2015–2016

Three industries experienced no change (Other Services, Manufacturing and Natural Resources & Mining), and three industries experienced year-over job losses: Professional & Business Services (down 2,100 jobs), Leisure & Hospitality (down 700 jobs) and Information (down 200 jobs).

Pierce County recorded a year-over growth rate of 2.6 percent in civilian employment, below Washington State's growth rate of 3.3 percent for the fourth time in 2016².
