PIERCE COUNTY WORKFORCE DATA

Pierce County Month-Over Job Gains and Losses

October 2016–November 2016

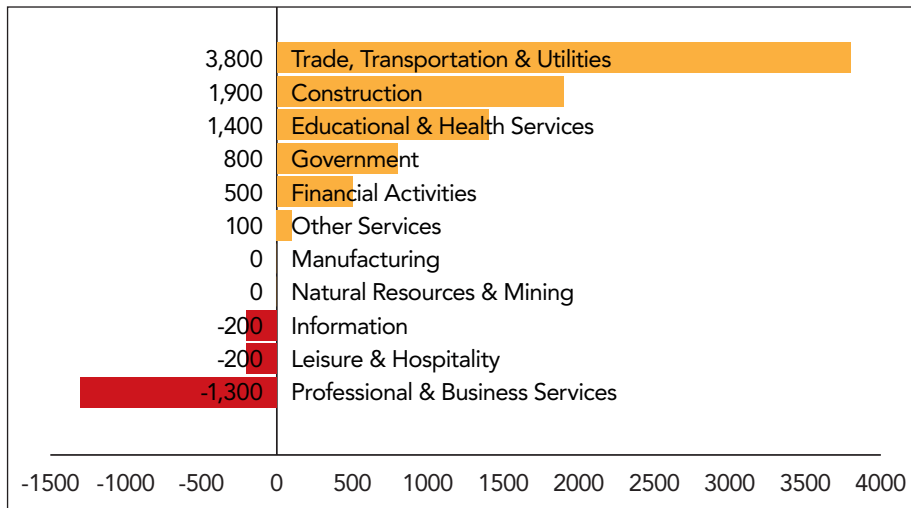

Trade, Transportation & Utilities recorded the largest month-over employment gain of 1,100 jobs, all of which came from Retail Trade. Construction added 400 jobs, Government added 300 jobs and Educational & Health Services and Financial Activities each added 100 jobs. Three industries (Natural Resources & Mining, Information and Other Services)² experienced no change, while only three industries experienced month-over job losses. Professional & Business Services recorded the largest loss of 500 jobs, while Leisure & Hospitality lost 400 jobs and Manufacturing lost 100 jobs.

From November 2015 to November 2016, six industries experienced job growth. Trade, Transportation & Utilities had the greatest year-over gain, adding 3,800 jobs to the region. Construction added 1,900 jobs and Educational & Health Services contributed 1,400 jobs. Government, Financial Activities and Other Services added a total of 1,800 jobs to the region. Two industries experienced year-over job losses: Leisure & Hospitality (down 1,000 jobs) and Information (down 300 jobs). Natural Resources & Mining was the only industry to remain unchanged.

Pierce County Year-Over Job Gains and Losses

November 2015–2016

Six industries reported year-over employment gains, Trade, Transportation & Utilities added 3,800 jobs, Construction added 1,900 jobs, Educational & Health Services added 1,400, Government added 800, Financial Activities added 500 jobs and Other Services added 100 jobs. Manufacturing and Natural Resources & Mining reported no year-over gains nor losses. Professional & Business Services experienced the largest year-over loss with 1,300 jobs, Information and Leisure & Hospitality lost 200 jobs each. The county also recorded a year-over growth rate of 2.9 percent in civilian employment, below Washington State's growth rate of 3.8 percent for the third time in 2016.³
